Local Government

UCA 36-12-13(2)(c)

To the extent that offenders meet certain conditions and depending on the appropriate treatment, counties could pay between \$350 to \$7,500 in treatment costs per offender, however the total amount would be determined by the number of individuals and the services provided.

Individuals & Businesses

UCA 36-12-13(2)(d)

Under this bill, certain offenders could avoid posting bail upon meeting certain conditions.

Performance Note

JR4-2-404

No performance note required for this bill

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
